Mr. Dellinger,

This email is to inquire whether any correspondence has been submitted to EPA-Region 6 from the TCEQ or UEC regarding the aquifer exemption for Goliad County since I submitted my letter to EPA-Region 6 on September 26, 2011. Also, has EPA-Region 6 sent any further correspondence to the TCEQ since issuing its initial letter on July 1, 2011? This is not a formal request under pursuant to FOIA, but rather an informal inquiry. It would be much appreciated if you could provide any and all correspondence responsive to this inquiry, if it exists.

Thank you, and please do not hesitate to call or write with any questions.
